With the support of the Lifelong Learning programme of the European Union

SciCamp-Event Title	1. SciCamp Conference
Event form	Consortium-Meeting, Conference, Panel, Poster-Session, Networking
Date, Duration	30.09.-03.10.2013, 4 days

Title of hosting Event	<i>SCIPROM – First SEE Regional Science Promotion Conference</i>
Date of hosting Event	<i>02.10.2013 – 03.10.2013</i>
Location, Country	<i>Belgrade, Serbia</i>
Target Group(s)	<i>Companies (SME) and academic institutions, schools</i>
Language	<i>en, rs</i>
No. of participants	<i>11 (consortium), 290 (public conference)</i>
Person in charge	<i>Martin Lindner (P1), Aleksandra Drecun (P5)</i>
Description	<i>The SciCamp partners met for the second time for a consortium meeting and the involvement at the SCIPROM-Conference at the beginning of project-month 11.</i>
Conclusion	<i>After an informal meeting on the 30th of September, the official consortium meeting was held in the offices of the Center for the Promotion of Science. The 11 consortium members talked and exchanged about what has been done so far in the project, organisational and content aspects and the future steps. In the meeting especially the Exploitation Report draft and the definition of Science Camps was discussed extensively. After the meeting-day, the consortium visited “Nikola Tesla” Museum in Belgrade before the SCIPROM conference was about to start the day after. The active participation at the SCIPROM conference with two panels, the poster session and many networking-opportunities gave the project a great public ignition. The consortium was visited honourably by the Head of the Ethics Sector at the DG Research & Innovation Unit of the European Commission, Mr. Isidoros Karatzas. All together the meeting, the SCIPROM and the stay in Belgrade was perfect organized by the partner CPN.</i>
